To Whom It May Concern:

Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552 et seq., I request copies of the following FedScope data from FY2017 Q1 through the most recent quarter available at the time the responsive records are gathered:

1. **Employment** Cube dataset, with the addition of **employee name** and a unique employee **identification number**
2. **Accessions** Cube dataset, with the addition of **employee name** and a unique employee **identification number**
3. **Separations** Cube dataset, with the addition of **employee name** and a unique employee **identification number**

I request that the data be provided in the same format — for ease of merging and comparison — as the data provided to Mr. Jeremy Singer-Vine of BuzzFeed in response to **FOIA # 2016-01614** and **FOIA # 2017-04762**.

I am seeking this data on behalf of the Investigative Report Workshop for the purpose of informing the general public. Because this information will be used for journalistic purposes, I ask that you please waive any applicable duplication fees.

I look forward to your reply. Please let me know if there are any clarifications I can make to make this request easier and/or quicker to complete. My email address and phone number are listed below.

Sincerely,

Kiernan Nicholls
